

The Tweed Collection

The Tweed Country Collection of finest quality travel and shoulder bags in classic British styling yet extremely rugged construction.

Tweed Collection:

The Tweed Collection is available in both green Scottish Shetland Tweed and brown Irish Donegal Tweed.

Materials are bonded with natural rubber onto 100% cotton canvas - the traditional way. This makes the material 100% waterproof. Best natural British raw materials are used, with every seam stitched at least twice with heavy duty threads. Solid brass fittings and best waxed bridle leather strappings are used throughout the range.
